

# Breakfast Club

Breakfast Club begins at 8.00am each morning until 8.55am in the top hall. It is important your child does not arrive before 8.00am as there is no one to look after them. Breakfast stops being served at 8.35am.

The children are served a fantastic healthy variety of cereal, fruit, toast and a drink. They also do various activities after eating e.g. play board games, read, draw, arts and crafts etc.

Breakfast Club costs only £1.00 a day (£5.00 per week). This is paid in advance on a Monday.

If you have any questions, please feel free to come and speak to me before 9am each day, or speak to the office.

**If your child has any allergies, please let me know**
