

Welcome to Mr.Garrood's Coffee morning

How to use online resources at home to
engage learning

LGFL Resources

- Every child at Winton has their own unique log in and password.
- They have been sent home several times. Keep it safe (put it on the fridge!)
- These resources have been paid for by the school and are ALL FREE for the children to use.

Let's have a look at how to access these wonderful resources...

Accessing LGFL

- Open internet browser
- Type in 'lgfl'
- Click on 'learning resources'
- Search by subject or keystage

- Alternatively: Use the search bar in top right corner

Let's have a look at some of my favourites...

J2E

SEARCH: J2E

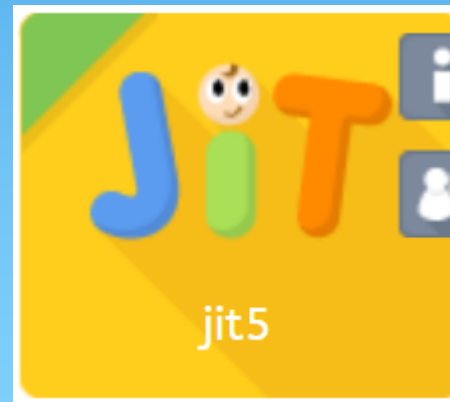

JiT - j2e Infant Tools

The EYFS tools from the makers of the j2e Tool Suite

Brilliant for:
Times tables
Arithmetic
Spelling

Brilliant for:
Statistics
