Dear Winton Families,

**Where are we with our target for 15 Google Chrome books?**

As you know Winton Friends have been trying to raise money for 15 Google Chrome books. Our target is £2,685 so far we have made:

- **£236.98 from the Cake Sale**
- **£93.07 from the Pyjama Day**

This brings our total to a whopping £330.05.

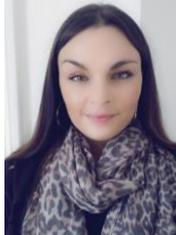

A step in the right direction!

We would like to thank everyone who has taken part in donating.

Here are some pictures to show some of the fantastic donations we had:

## **Calling for class Reps! Can you help?**

We still need parent representatives for each class. You will provide an important link between parent and the committee. Please let us know if you are interested or speak to Claire Brown.

## **Winton Friends Dreaming**

Winton Friends is also looking to apply to different Council and independent funding bodies for grants to improve our school for our students, our families and communities. We are very keen to hear from children and parents with ideas about how the school could better support you during and outside school hours. Beyond the Chromepads we are fundraising for, is there other equipment that you think we need? Are there services - clubs, activities, opportunities - that the school could provide? At this stage, we are just after ideas - however big your dreams - which we will then discuss with the school and refine. Please do send your dreams for the school to [wintonfriends@gmail.com](mailto:wintonfriends@gmail.com) or write/draw your ideas down and put them in the box at reception by the end of term. Hopefully we can make some of the dreams, a reality!

## **Events coming up:**

We will be holding our first afterschool snack sale: **'Feel good Fridays'**

**Summer Fete**....we welcome any suggestions and ideas, there will be a blank list at reception for you to write down any ideas you may have or want to see happen.

Also look out on our notice boards for regular updates, news & our target thermometer!

If you would like to get involved or find out more you could drop us an email, come to our next coffee morning or catch one of us in the playground!
