

Dear Winton Families,
Last week's stars are:

This week's stars are:

We are very excited to announce that Ms Amsha has had a baby girl, Safa Mehdi Chowdhury.

Mum and baby are doing really well.

Last Thursday Year 5 took part in 'Junior Citizen', Junior Citizen is a multi-agency safety event designed to provide children with life skills that will, in the future, help to keep themselves and others safe.

The aim of the Junior Citizen event is to raise each participant's awareness of threats and dangers, in a fun and interactive way. The agencies attending ensure that their presentations are as interactive as possible and reflect current dangers to children, knowing that children learn by 'doing' rather than being 'told'. Junior Citizen is a fantastic way of getting young people involved in making a difference in their community, and it is a fun and innovative way of getting valuable safety, security and respect messages across to young children, who will hopefully remember what they have learnt, and put this into practice, should the need arise.

Dear Junior Citizen,
I am writing from Winton primary school to tell you how great today was! I enjoyed everything there was no scenario I didn't love I enjoyed how we all had a discussion and how we were challenged. I liked the one with PC Keating and the stolen phone. As the way people reacted was funny and we learnt how to be safe when using phones.
One improvement I think is that you should have given us a little hint and help before the burglars and fake photographers.
Thank you for helping us learn how to be safe and helping us have fun. I enjoyed everything about it. I hope everyone else did. I was so excited and exhilarated after and it.
