

Dear Winton Families,

This week's Key Stage 1 and 2 stars are:

Flying into Physics

We are very excited to announce that Year 5 have the opportunity to work with Flying into Physics. This is an exciting new way of teaching physics to KS2 children through aerial dance. Flying Into Physics currently works with twenty schools in London, Leicester and Kent over 24 months to raise the profile of science schools and inspire children to enjoy science and engineering. Using exciting and creative aerial techniques to explore physical forces, Flying into Physics makes science approachable and accessible for a wide range of learners, including those who typically feel less inspired by science.

A few photographs from this week:

23-29th September 2019 National Recycle Week.

This year's theme is "Recycling it's in our hands!"

Up to 70% of your waste could be recycled or reused.

Next week at school we will be holding assemblies about recycling and thinking about how can we reuse items.

Key dates for your diary:
