

Dear Winton Families,

We are delighted to start 2020 with the exciting news that we have been awarded the

### **'World Class Schools Quality Mark'.**

Zein, Khadijah and Lamaya represented the school at the assessment day earlier in the year and came with their parents and staff to Cambridge University to collect the award. The award is now in pride of place by the office.

#### **What did we have to do?**

The assessment requires schools to demonstrate that their students are capable of compiling comprehensive evidence in support of their application. All applicant schools must exceed a challenging threshold in their Key Stage 2 or 4 performance before being invited to apply. The students must then develop a compelling case for accreditation through detailed auditing of their school's capabilities, video submissions in support of their application, and participating in an assessment centre event, at which their performances are measured against a challenging framework.

### **Winton Computing Day - Tuesday 14<sup>th</sup> January**

Next Tuesday we will be holding a special computing day, we are very lucky to have two visiting teachers: Bradley Dardis (Learning Resource Consultant for LGFL) and Dan Ferry (Islington Computing Lead Teacher).

**Parent Workshop from Bradley: Top Hall 9:00 - 9:45.**  
**Come and use the chrome books to find out how you can support your child online through LGFL.**

There will be resources available from nursery to year 6, please come and join.

This week's Key Stage 1 and 2 stars are:
