

Wednesday 18th March - Coronavirus (COVID-19) - 'Delay' Phase Developments

Dear Parents & Carers,

Thank you all for your understanding as we introduce measures to keep our school community and wider society safe. We have been deeply touched by your messages of support.

We are now requiring staff, parents and children to stay at home for 14 days if they or anyone in their household has a new, persistent cough or high temperature.

Do not attend a GP or other healthcare provider unless instructed to do so.

If you or someone you live with has a 'new, continuous' cough or a high temperature, you should all stay at home for 14 days

Stay at least three steps away from other people in your home if possible

This is the link to the guidance on self-isolation:

Please ring the school to let us know if your child is staying at home.

Thank you for your continued support.

Best wishes
