

Dear Winton Families,

Thank you for your incredible support this week, we have been amazed by your kindness and support. We are very proud of everyone's engagement with remote education and the learning that the pupils have achieved during the week.

I would like to thank the staff team who have worked tirelessly to provide a curriculum that is engaging and exciting for our pupils. I am sure you will agree their videos and feedback have brought a smile to all of our faces.

School will reopen for all pupils on Monday 5th October, we can't wait to welcome the pupils back. We would like to remind you of the changes that we have made at the start and end of each day to ensure the safety for all our children, staff and parents:

*all staff who are on the gates at the start and the end of the day will be wearing masks.

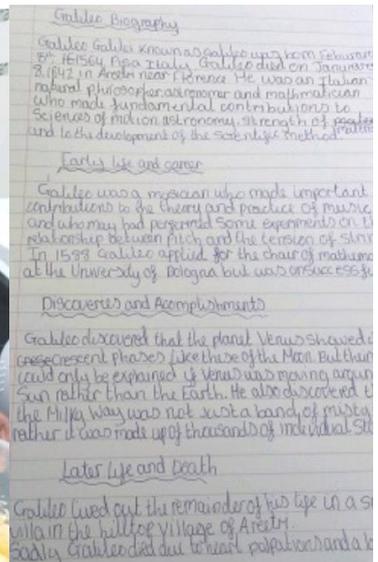

*we request that parents wear masks at collection and drop off

*we request that parents maintain the 2 metre distance from each other and from school staff

*we are operating a strict queuing system so please join the end of the queue or wait on the opposite side of the road for the end of the queue.

COVID-19 Advice

The most common symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. However, if you have any of the symptoms above you should self-isolate at home and get tested

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

If you feel you cannot cope with your symptoms at home or your condition gets worse, please visit: <https://111.nhs.uk/covid-19>. If you cannot get help online, please call 111.

You can now ask for a test:

- for yourself, if you have coronavirus symptoms now (a new continuous cough, a high temperature, or a loss of, or change in, your normal sense of taste or smell)
- for someone you live with, if they have coronavirus symptoms

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus/>

Remember to keep in contact with the school so we can reduce the spread of COVID-19 to others in the community.
