

School gates open at 8:45am, all pupils need to be ready in their class line by **8:55am**.

Dear Winton Families,

Winton Goes Green

From thisto this.....

Over the half term we have had high green screens installed around the perimeter of the school, they have made a big difference to the playground. The green screens will:

- Improve the air quality for the children. The green screens will decrease the daily nitrogen dioxide concentrations in the playground by at least 20% on installation and then increasing to 40% when the ivy screens are matured.
- Reduce visibility to the playground and school building

EVERY POPPY COUNTS

From Monday 9th November, before school we will be selling poppies, wrist bands etc.

Pupils must have the correct money.

The Poppy Appeal:

The Royal British Legion provides lifelong support to serving and ex-serving personnel and their families. From providing expert advice and guidance, to recovery and rehabilitation, through to transitioning to civilian life – we can be by their side every step of the way. And it's not just members of the Armed Forces but their families too. If there is ever a reason we can't help, our vast network will mean that we know someone who can.

COVID-19 Advice

The most common symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. However, if you have any of the symptoms above you should self-isolate at home and get tested

[Stay at Home Guidance](#)

If you feel you cannot cope with your symptoms at home or your condition gets worse, please visit: <https://111.nhs.uk/covid-19>. If you cannot get help online, please call 111.

You can now ask for a test:

- for yourself, if you have coronavirus symptoms now (a new continuous cough, a high temperature, or a loss of, or change in, your normal sense of taste or smell)
- for someone you live with, if they have coronavirus symptoms
